## Overview

---

Maximum size of OTA MIDlet download to the Nokia 6230i device is 300 KB

## Description

---

If you try to download a MIDlet whose size is over 300 KB over the air (OTA) to the Nokia 6230i device, the following error message will be displayed: "File too large. Not enough phone memory to download file".

The maximum size of the OTA MIDlet download on the Nokia 6230i device is 300 KB. If you need to transfer larger MIDlets, do it from the PC. The maximum JAR size that can be run on the Nokia 6230i device is 500 KB.

The same in numbers:

- Max OTA JAR Size: 300 KB
- Max JAR Size: 500 KB
